---

### Skills

I possess advanced proficiency in JavaScript, specializing in React.js, and have a strong command of Tailwind CSS for its efficient development and design advantages. Additionally, I am adept with Bootstrap, although my primary focus lies in leveraging Tailwind CSS for optimal project outcomes.

---

### Experience

---

#### Contract Work / ReactJs Developer

June 2023 - September 2023, REMOTE

Collaborated closely with an individual client on frontend development projects, utilizing JavaScript and React.js to create responsive and visually appealing web solutions. Contributed to UI/UX design decisions and implemented optimizations to enhance overall website performance and functionality.

#### Purbasha Coaching Center / Founder and Instructor

July 2016 - September 2022, Near Osmani International Airport, Sylhet

Founded and successfully managed Purbasha Coaching Center, specializing in mathematics, physics, and ICT (Information and Communication Technology) education for students in grades 6-12.

---

### Education

---

#### Metropolitan University / B.Sc. in C.S.E (4th Year)

September 2021 - Present, Piner bazar, Sylhet

Due to financial constraints and the COVID-19 pandemic, there was a study gap between 2018 and 2021. During this period, I focused on overcoming these challenges and preparing myself for academic success upon resuming my studies.

#### Sylhet Government Model School and College / H.S.C.

July 2016 - June 2018, T.B. Gate, Sylhet

---

### Awards

Three-time Regional Champion, National High School Programming Contest (2015, 2016, 2017)

& National Runner-Up in 2017
